

Diagram illustrating the construction detail of a corner or joint in a brick wall, showing the intersection of a vertical column and a horizontal wall.

The vertical column is labeled **Columneta 25x30 cm**.

The horizontal wall is constructed of **Ladrillo** (Brick).

The gap between the column and the brickwork is labeled **Separación 0.025 cm**.

A horizontal plate is labeled **Placa 30cm**.

The bottom section of the wall is also labeled **Ladrillo**.
